

BAND AT THE BEACH

WELCOMES YOU TO THE TWENTY-FOURTH YEAR

Please read the following carefully:

CAMP DATES AND HOURS:

Monday, August 6 through Friday, August 10, 2011

12:00 – 4:00 daily with free concert presented at 4:00 Friday, August 10.

CAMP ADDRESS: Correia Middle School, 4302 Valeta, San Diego, 92107

Next to the Peninsula YMCA.

GENERAL RULES AND INFORMATION:

1. **R-E-S-P-E-C-T** is self-explanatory.
2. Being current or ahead with chores, jobs and summer school work in order to be on time to rehearsals and have time for home practice is always a good idea.
3. Closed campus is for everyone's protection. Thank you for respecting this.
4. The "NO" list for rehearsals is as follows: gum, candy, talking out of turn, cell phones, ipods, video games, hats, and please, **NO LITTERING!**
5. Wide ranges of skill and experience levels mean that parts given out may be too hard or too easy. Our coaches will adjust for individual needs as necessary. These are strictly adult coach decisions and are not made by students or parents. The overall ensemble experience is much more valuable than the actual part assigned.
6. On and off-street parking is available.
7. T-shirts will be given out Friday, August 10 or sooner if the order is ready.
8. Observers of daily program are welcome, but must sign in and out. Options to observation are many. There's a lot to do in the Peninsula area. For ideas, contact the Ocean Beach Mainstreet Association at 619-224-4906.

CAMP RAFFLES:

Raffle tickets will be sold daily for drawings on small ticket items. Drawings for big ticket items will take place at the concert on Friday. Tickets are \$1 each, or 6 for \$5. Proceeds go into the camp fund. Thank you for participating!

SUPPLIES REQUIRED:

1. If there is a shortage of stands, you'll be glad you brought your own on day one.
2. Pencils. A pencil is your best friend in rehearsals.
3. Bottled water is the only nutrient allowed at rehearsals.
4. Clean shorts and shoes ready for Friday performance...khaki, black, blue or white.
Please no plaids and no flip-flops!

Small items, ie. Reeds, grease, and oil, will be available for purchase. Minor repairs and adjustments will be available on-site. However, these things should be taken care of before Music Camp begins.
